College name   : Chikkanna government arts college

DIGITAL PORTFOLIO

Of

B.Bavadharshini

**Threads of Thought
An Academic Voyage
Through My
Knowledge & Insight**

AGENDA

Problem Statement

- In today's digital era, traditional resumes alone are not enough to showcase skills and projects effectively
- Many students and professionals lack a structured online presence to highlight their work. A digital portfolio provides an interactive and accessible platform to present achievements, skills, and experiences.Add a little bit of body text

PROJECT OVERVIEW

- Created my digital Portfolio for Seeking job in an reputed companies.

- Showing my skills and knowledge and coding style through Digital Portfolio .

1. Recruiters & HR teams from companies evaluating candidates.

2. Project Managers looking for skilled developers.

3. Clients/Organizations seeking freelancers or interns.

END USER

TOOLS AND TECHNOLOGIES

Devlopment TOOLS

1. Visual Studio Code (VS Code) → Code editor used for development.

2. CodePen → For quick testing and live previews

1. HTML5 – Structure

2. CSS3 – design & animations

3. JavaScript – interactivity

PORTFOLIO DESIGN

- Modern, clean, and responsive interface.

- Diamond-shaped animated profile for uniqueness.

- Consistent color theme for professional look.

- Simple navigation for easy user experience.

PORTFOLIO LAYOUT

◆ Layout Structure

FUNCTIONALITY

Navigation

Multi-page support: Home, About, Portfolio, Contact.

Smooth transitions between sections/pages.

Buttons & links redirect to external sites (e.g., GitHub, CodePen).

- Increasingly fierce competition
- Changes in government regulations
- Global economic fluctuations
- Changing consumer trends

GITHUB

Stores and manages the source code of the portfolio project.

Tracks changes with version control (Git).

Allows collaboration and code sharing.

CONCLUSION

Developed a modern, dynamic, and responsive portfolio website.

Showcases skills, projects, and profile in an engaging way.

Built using HTML, CSS, and JavaScript with animations and responsive design.

Provides companies easy access to profile, projects, and contact options

THANKING YOU......
